

### **Fabio Pimenta short bio:**

Fabio Pimenta started in the art world as a young clown through autonomous proposals and several short courses. He currently holds a degree in Performing Arts from the State University of Londrina-UEL (2010 - 2014). And has just completed his master's research entitled "Monkey Studies: invent(or)ing artistic processes from the integration between somatics, ecology and performance" at the State University of Campinas - UNICAMP (2018-2020). One of the outcomes of this research is the site-installation: [www.estudosparamacaco.art](http://www.estudosparamacaco.art).

As a performer he worked in companies such as Cia.L2 (2010-2014), Taanteatro (2014-2015), Grupo Gandaiá (2016-2018) and Coletivo Fleuma (2015 - current days). He has also worked as an art-educator since 2012 and has been on projects such as Ademar Guerra and Pontos MIS, as well as on some municipal courses. As a producer, organizes his actions under the name FÁ# Realizações Artísticas.
